Milwaukee, Wisconsin.

Dear Mr. Schunck:

I have your letter of November 18 to which you attach a copy of your letter of October 13, and I wish to advise that I wrote to you on November 8 as follows:

"Sometime ago you suggested that it might be a good thing if the League would give The Milwaukee Radio Amateurs' Club a wavemeter, although the contest was over August 31, because of the many subscriptions you have sent us. I believe your suggestion is a good one, and we will send you a wavemeter just as soon as we possibly can. We are having a few special ones made up as all of the allotted ones were used in the contest, and in view of the fact we are having them made specially I cannot promise you any special date of delivery. I hope to be able to ship one to you sometime during the present month."

I expect to make shipment of the wavemeter the early part of next week.

Sincerely yours,

David Houghton
